Cienna!

Oh happy Cienna!  
In a bed of earth you die,  
dunk with light.

You know from the fields

the ~~secret~~ secret of life:

you keep the tale  
of that old fairy  
who could bend the  
grass be born.

my heart be a candle  
~~in~~ heavenly fields  
it die singing slow  
watched by the blue sky  
as it fades  
let this woman of force  
scatter it through the dust  
with her hands  
I let my blood on the field  
like sweet and rosy mud  
where weary peasants  
sit in their shoes

*Cicada!*

*Oh happy cicada!*

*On a bed of earth you*

*die,*

*drunk with light.*
